

Financial Policy Effective 2021-2022 School Year

Tuition

- Tuition is paid through FACTS, our online payment processor. A tuition plan is selected during enrollment.
- Three plan options are available for tuition payments: one annual payment, two semi-annual payments or monthly payments.
- The first tuition payment is due May 1st; tuition payment drafts generally occur on the 5th of the month.
- Families that choose monthly installments are assessed a \$30 annual fee per family, paid with the first tuition payment. Monthly tuition payments are **non-refundable**.
- Remaining 8 monthly payments for Preschool (Toddlers – Fours) are due September 1st through April 1st. No monthly payments are scheduled for June, July or August for Preschool students.
- The second payment for semi-annual payment plans is due December 1st for Preschool students.
- For students enrolling after school has started, annual tuition is prorated based on the date of enrollment.
- For students enrolling after May tuition payments have been made, we will work with families to establish a payment plan to catch up on missed tuition payments.
- Late payments incur a \$15 fee; FACTS assesses a \$30 fee for returned payments.
- Requests for changes to payment plans must be made in writing prior to the 1st of the month for the next scheduled payment.

Withdrawals

- Monthly tuition payments are **non-refundable** once payment is made.
- Tuition obligation is based on the date of written withdrawal notification. To avoid paying a month's tuition, written withdrawal notice must be received by the School Business Office before the 1st day of the month the payment is due.
- For families that initially choose the one or two payment options rather than monthly, refunds will be provided for any prepaid tuition for months that occur after the date written withdrawal notice is received.

Registration Fees (Non-refundable)

- Application and enrollment fees are payable at the time of submission of online application and enrollment.
- Returning students that register before the re-enrollment deadline receive a \$100 per student discount on enrollment fees, which is applied during online re-enrollment.

Other Fees (Non-refundable)

- **Incidental fees**, such as emergency lunch charges and late pick-up fees are billed through FACTS and are generally due on the 15th of the following month.
- **Late pick-up fees** will be charged for students picked up more than 10 minutes after the scheduled end of the school day. The fee is \$10 for the first ten minutes, then \$5 for each additional five-minute increment thereafter. Late fees are per child. If car line dismissal runs long, late fees will begin after the completion of car line.
